Subject: Action Items from Air Program Update

All, here are my notes from Tuesday's meeting. Please amend as needed. Not sure I put enough explanation in, though everyone seemed to be knowledgeable about the items.

1. Obtain and distribute in R6 copy of 2/23 briefing sheet for Clint Woods for TX Litigation meeting (re: TX Litigation)
2. Confirm dates of shutdown for Sandow, Big Brown and Monticello (re: TX Litigation)
3. Obtain schedule from TX for schedule of revised permits for Sandow, Big Brown and Monticello (understand that parts of facilities will continue to operate under permit) (re: TX Litigation)
4. Need briefing for Anne, David, Wren before 2/22 on TX Luminant petition for reconsideration: Deliberative Process / Ex. 5
5. Obtain met data from LDEQ for St. Bernard model runs (re: St. Bernard SO2 designation)
6. Ask LDEQ how public notice for EE will be handled (re: LDEQ Baton Rouge exceptional event)
7. Send Wren schedule of events for LDEQ EE (re: LDEQ Baton Rouge exceptional event)
